PHILIP M. HALPERN, United States District Judge:

As the parties have been advised, the Southern District of New York has adopted a centralized calendaring system for jury trials during the COVID-19 pandemic. Under the system currently in place, the Clerk's Office schedules up to three jury trials to begin on each day of jury selection: a primary case and up to two back-up cases that may proceed in its place if the primary case does not go forward.

The Clerk's Office has now notified the Court that this case has been scheduled as the primary back up case for March 9, 2022. The case will proceed if the primary case does not go forward.

The case must therefore be trial ready for that date. As soon as the Court confirms whether the matter will proceed during the week of March 9, 2022, it will inform the parties. If the case cannot proceed during the week of March 9, 2022, the Court will seek another jury trial date for as soon as possible thereafter.

The parties are directed to file their pretrial submissions in accordance with this Court's Individual Practices Rule 6.B., which includes motions *in limine*, proposed joint voir dire, proposed joint jury instructions, a proposed joint verdict form, and pretrial memoranda (if any) by January 31, 2022.

A final pretrial conference is scheduled for March 1, 2022 at 2:30 p.m. in a courtroom to be determined.

All members of the public, including attorneys, appearing at a Southern District of New York courthouse must complete a questionnaire and have their temperature taken before being allowed entry into the courthouse. On the day that you are due to arrive at the courthouse, click on the following weblink: <https://app.certify.me/SDNYPublic>. Follow the instructions and fill out the questionnaire. If your answers meet the requirements for entry, you will be sent a QR code to be used as the SDNY entry device at the courthouse entrance.

The parties are directed to immediately notify the Court if they have reached a settlement.
SO ORDERED.
